144+ \$3.00 ea.

Back view

- Name tag is integrated into the plastic lanyard spreader for stability. Name tag will not twist, turn or flop, stays forward-facing, and is easily seen and read.
- Reduce the cost of frequent replacement of name tags due to safety pin failure.
- Reduced risk — the rusty safety pin is no longer a factor.
- Breakaway Lanyard #403 included.
- Tags do not include personnel names; you add those as needed, using your label machine.
- Tags can be printed with your park logo.
- Logo art must be submitted in .eps or .ai (Illustrator) format. There is a one-time setup fee of \$35.
- Minimum order 100 pieces.
